

NATIONAL CERTIFICATION COUNCIL  
FOR ACTIVITY PROFESSIONALS

*Setting Standards of Excellence  
for Quality of Life through Education*

## **ABOUT NCCAP**

### **MEPAP COURSES:**

These are excellent courses for any Activity Professional interested in furthering their education in this changing and growing field. Quality of Life is something we all seek in every stage and age. The Activity Professional is one who treasures the history, respects the talents, adapts for needs, enables the potential and dreams of each resident they work with. Activity Programming cannot remain static; it must be dynamic and ever changing. Innovative Activity Programs that promote quality of life for residents demand quality education and growth courses. This is one that won't disappoint you.
